2. Provide opportunities for parents to choose among affordable and accredited programs;
3. Encourage coordination and cooperation among programs and prevent the duplication of services;
4. Recognize the specific service needs and unique resources available to particular municipalities and provide flexibility in the implementation of programs;
5. Prevent or minimize the potential for developmental delay in children prior to their reaching the age of five;
6. Enhance federally funded school readiness programs;
7. Strengthen the family through: (A) encouragement of parental involvement in a child's development and education; and (B) enhancement of a family's capacity to meet the special needs of the children, including children with disabilities;

9. Assure that children with disabilities are integrated into programs available to children who are not disabled; and
10. Improve the availability and quality of school readiness programs and their coordination with the services of child care providers.

It is expected that all children who participate in quality school readiness programs will demonstrate the skills at kindergarten entry that have been delineated in **THE EARLY LEARNING AND DEVELOPMENT STANDARDS (ELDS)**. The Office of Early Childhood (OEC) will provide guidance on professional development opportunities and documents related to alignment between the Preschool Assessment Framework and the ELDS. Programs are expected to make the transition to the ELDS while seeking the appropriate guidance and support.

Services may be provided in the four (4) program types.

The sub-grantee proposals must be submitted either with the original CD-grant package or, if it occurs subsequently in the year, **prior** to the start of the sub-grantee's program.

**Contract** - Each grantee must have written contracts with their sub-grantees that clearly spell out the terms and conditions of their responsibilities in carrying out the grant program.

By July 1, 2020, there must be a teacher in each classroom that holds a Bachelor's degree with an early childhood concentration (see General Policy A-01 for guidance).

**Any School Readiness classroom operated by a public school must employ appropriately certified teaching staff if one or more children in the class are claimed for Education Cost Sharing (ECS) reimbursement.**

### GLOSSORY / DEFINITIONS

**Connecticut Frameworks** – The “**CONNECTICUT EARLY LEARNING AND DEVELOPMENT STANDARDS**” and “**CONNECTICUT PRESCHOOL ASSESSMENT FRAMEWORK**” are the guides for programs to use in the implementation and necessary adjustments to the curriculum and experiences that support children in the development of skills and knowledge.

**General Policies Communication System** – General Policies (GPs) are issued to provide guidance to councils and providers concerning School Readiness policies and procedures. A copy of these General Policies should be maintained and followed. **General Policies are posted on the OEC Web site at:**  
<http://www.ct.gov/oec/generalpolicies>.

**Inclusion/Integration** – It is expected that all children with and without disabilities shall have access to School Readiness programs. Programs must adhere to the requirements of the **Americans with Disabilities Act, (ADA)** and the **Individuals with Disabilities Education Act (IDEA)** that require that no child be excluded on the basis of a disability.

**Learning Experience Plan** – A Learning Experience Plan describes both the learning expectations for children, as well as the teaching strategies that support all children across varying levels of development and the setting in which the experiences are planned to occur.

**Outcomes** – Those skills that children with a quality preschool experience are expected to demonstrate when entering kindergarten. For more information and guidance, see the publications **CONNECTICUT EARLY LEARNING AND DEVELOPMENT STANDARDS** and **CONNECTICUT PRESCHOOL ASSESSMENT FRAMEWORK** that are available on at: <http://www.ct.gov/oec/cwp/view.asp?a=4541&q=536726>

**Parent Fees** – The amount of money parents are required to pay for participation in the School Readiness program is based on the sliding fee scale or is stated on their child care certificate. Fees must be used to support the activities of the School Readiness program that the child is attending. The School Readiness Council may choose to exempt only Part-Day/Part-Year Programs from this requirement. For additional information, see General Policy B-01 and General Policy B-02.

**Program Standards** – Programs who either have or are seeking NAEYC accreditation must meet the NAEYC standards. Head Start programs must meet the Head Start Program Performance Standards. For additional information, see General Policy A-02 and General Policy B-05.

### PRIORITY SCHOOL READINESS

### QUALITY ENHANCEMENT

**Purpose:** The Office of Early Childhood shall establish a program, within available appropriations, to provide on a competitive basis supplemental quality enhancement grants to providers of School Readiness programs pursuant to C.G.S. Sections 10-16p and 10-16u to enhance the quality of early childhood education programs. School Readiness programs in Priority School Readiness districts, and Competitive School Readiness municipalities may apply for a quality enhancement grant. These applicants must use their local School Readiness Council to review and recommend projects for funding.

The purpose of the Quality Enhancement funding is to assist early care and education programs in addressing quality standards and/or expand comprehensive services for children and families. C.G.S. Section 17b-749c identifies the following as appropriate use of grant funds:

1. Help providers who are not accredited by the NAEYC to obtain such accreditation;
2. Help directors and administrators to obtain training;
3. Provide comprehensive services, such as enhanced access to health care, a health consultant, a mental health consultant, nutrition, family support services, parent education, literacy and parental involvement, and community and home outreach programs; and provide information concerning access when needed to a speech and language therapist;
4. Purchase educational equipment;
5. Provide scholarships for training to obtain a credential in early childhood education or child development;
6. Provide training for persons who are mentor teachers, as defined in federal regulations for the Head Start program, and provide a family service coordinator or a family service worker as such positions are defined in such federal regulations;
7. Repair fire, health and safety problems in existing facilities and conduct minor remodeling to comply with the Americans with Disabilities Act; train child care providers on injury and illness prevention; and achieve compliance with national safety standards;
8. Create a supportive network with family day care homes and other providers of care for children;
9. Provide for educational consultation and staff development;
10. Provide for program quality assurance personnel;
11. Provide technical assistance services to enable providers to develop child care facilities pursuant to C.G.S. Sections 17b-749g, 17b-749h and 17b-749i;
12. Establish a single point of entry system; and
13. Provide services that enhance the quality of programs to maximize the health, safety and learning of children from birth to three years of age, inclusive, including, but not limited to, those children served by informal child care arrangements. Such grants may be used for the improvement of staff to child ratios and interaction, initiatives to promote staff retention, pre-literacy development, parent involvement, curriculum content and lesson plans.

**Priorities for Funding:** This grant should not duplicate program accreditation or training activities that are generally available at the local or regional level. Additionally, funds cannot be used for increasing staff salaries or for administrative or planning functions. This section of funding is based upon availability of funds. The plan must align with the purpose of the funding (above).

**Funds Available:**

The OEC anticipates that a total amount of \$922,559 will be available between July 1, 2016 and June 30, 2017. All grants shall be funded within the limits of available appropriations. The table below details the proposed allocations for the Priority School Readiness municipalities.

## **Community School Readiness RFP Budget Object Codes**

### **I. General Description**

The Connecticut Office of Early Childhood and State Department of Education is using object code definitions from the United States Department of Education publication "Financial Accounting for Local and State School Systems." (<http://nces.ed.gov/pubs2009/2009325.pdf>) Per federal definition, an object is used to describe the service or commodity obtained as the result of a specific expenditure.

For a specific grant, it may be necessary to modify what can be included in a given object based on the grant legislation. Please review the instructions for specific grant budget development carefully before requesting an ED114 form from the Bureau of Grants Management.

### **II. Major Object Code Definitions**

#### **100 Personal Services - Salaries**

Amounts paid to both permanent and temporary grantee employees, including personnel substituting for those in permanent positions. This includes gross salary for personal services rendered while on the payroll of the grantees.

#### **200 Personal Services - Employee Benefits**

Amounts paid by the grantee on behalf of employees; these amounts are not included in the gross salary, but are in addition to that amount. Such payments are fringe benefit payments and, while not paid directly to employees, nevertheless are part of the cost of personal services.

#### **300 Purchased Professional and Technical Services**

Services which, by their nature, can be performed only by persons or firms with specialized skills and knowledge. While a product may or may not result from the transaction, the primary reason for the purchase is the service provided. Included are the services of architects, engineers, auditors, dentists, medical doctors, lawyers, consultants, teachers, accountants, etc.

#### **500 Other Purchased Services**

Amounts paid for services rendered by organizations or personnel not on the payroll of the grantee (separate from Professional and Technical Services or Property Services). While a product may or may not result from the transaction, the primary reason for the purchase is the service provided.

#### **600 Supplies**

Amounts paid for items that are consumed, worn out, or deteriorated through use, or items that lose their identity through fabrication or incorporation into different or more complex units or substances.

## **Quality Enhancement Budget Object Codes**

### **I. General Description**

The Connecticut State Department of Education is using object code definitions from the United States Department of Education publication "Financial Accounting for Local and State School Systems."

(<http://nces.ed.gov/pubs2009/2009325.pdf>) Per federal definition, an object is used to describe the service or commodity obtained as the result of a specific expenditure. An analysis of object code usage throughout the department has allowed us to develop the attached master budget with object codes of varying levels of detail. A standard description of each is also provided. For a specific grant, it may be necessary to modify what can be included in a given object based on the grant legislation. Please review the instructions for specific grant budget development carefully before requesting an ED114 form from the Bureau of Grants Management.

### **II. Master Budget Form Object Code Descriptions/Includable Items**

#### **111A Non-Instructional**

Amounts paid to administrative employees of the grantee not involved in providing direct services to pupils/clients. Include all gross salary payments for these individuals while they are on the grantee payroll including overtime salaries or salaries paid to employees of a temporary nature.

#### **111B Instructional**

Salaries for employees providing direct instruction/counseling to pupils/clients. This category is used for both counselors and teachers. Include all salaries for these individuals while they are on the grantee payroll including overtime salaries or salaries of temporary employees. Substitute teachers or teachers hired on a temporary basis to perform work in positions of either a temporary or permanent nature are also reported here. Tutors or individuals whose services are acquired through a contract are not included in the category. A general rule of thumb is that a person for whom the grantee is paying employee benefits and who is on the grantee payroll is included; a person who is paid a fee with no grantee obligation for benefits is not.

#### **200 Personal Services - Employee Benefits**

Amounts paid by the grantee on behalf of the employees whose salaries are reported in objects 100 or 111A and 111B. These amounts are not included in the gross salary, but are in addition to that amount. Such payments are fringe benefit payments and, while not paid directly to employees, nevertheless are part of the cost of personal services. Included are the employer's cost of group insurance, social security contribution, retirement contribution, tuition reimbursement, unemployment compensation and workmen's compensation insurance.

#### **320 Professional Educational Services**

Services supporting the instructional program and its administration. Included are curriculum improvement services, assessment, counseling and guidance services, library and media support, and contracted instructional services.

#### **321 Tutors (Instructional Non-Payroll Services)**

Payments for services performed by qualified persons directly engaged in providing learning experiences for students. Include the services of teachers and teachers' aides who are not on the payroll of the grantee.

#### **322 In-service (Instructional Program Improvement Services)**

Payments for services performed by persons qualified to assist teachers and supervisors to enhance the quality of the teaching process. This category includes curriculum consultants, in-service training specialists, etc., who are not on the grantee payroll.

#### **323 Pupil Services (Non-Payroll Services)**

Expense for certified or licensed individuals who are not on the grantee payroll and who assist in solving pupils' mental and physical problems. This category includes medical doctors, therapists, audiologists, neurologists, psychologists, psychiatrists, contracted guidance counselors, etc.

### 324 Field Trips

Costs incurred for conducting educational activities off site. Includes admission costs to educational centers, fees for tour guides, etc.

### 325 Parental Activities

Expenditures related to services for parenting including workshop presenters, counseling services, baby-sitting services, and overall seminar/workshop costs.

### 330 Employee Training and Development Services

Services supporting the professional and technical development of school district personnel, including instructional, administrative, and service employees. Included are course registration fees (that are not tuition reimbursement), charges from external vendors to conduct training courses (at either school district facilities or off-site), and other expenditures associated with training or professional development by third-party vendors.

### 340 Other Professional Services

Professional services other than educational services that support the operation of the school district. Included, for example, are medical doctors, lawyers, architects, auditors, accountants, therapists, audiologists, dieticians, editors, negotiations specialists, paying agents, systems analysts, and planners.

### 341 Audit

Direct cost for the audit of the grant program by an independent auditor. This category is separated from object code 340 as many grants do not include this cost as an eligible grant expenditure.

### 350 Technical Services

Services to the school district that are not regarded as professional, but that require basic scientific knowledge, manual skills, or both. Included, for example, are data-processing services, purchasing and warehousing services, and graphic arts.

### 400 Purchased Property Services

Services purchased to operate, repair, maintain, and rent property owned or used by the grantee. These services are performed by persons other than grantee employees. While a product may or may not result from the transaction, the primary reason for the purchase is the service provided.

### 500 Other Purchased Services

Amounts paid for services rendered by organizations or personnel not on the payroll of the grantee (separate from Professional and Technical Services or Property Services). While a product may or may not result from the transaction, the primary reason for the purchase is the service provided.

### 600 Supplies

Amounts paid for items that are consumed, worn out, or deteriorated through use, or items that lose their identity through fabrication or incorporation into different or more complex units or substances.

### 700 Property

Expenditures for acquiring fixed assets, including land or existing buildings, improvements of grounds, initial equipment, additional equipment, and replacement of equipment.

# SCHOOL READINESS GRANT PROGRAM

## Licensing Status Verification Form School Readiness Grant Program

(must be submitted annually)

Connecticut General Statutes, Section 19a-77(b) provides that a program administered by a public school system is not required to be licensed to operate. In addition, the licensing requirement does not apply to programs administered by private schools that are approved by the State Board of Education and have filed a yearly attendance form with the Connecticut State Department of Education (CSDE). "Administered by" means that a public school system or a CSDE approved private school retains responsibility for the management and oversight of the program and for the program staff and the children served.

If a School Readiness grantee submits to the CSDE sub-grantee applications with sites that are not licensed by the Department of Public Health to provide child day care, the grantee must complete this form for each non-licensed site. One of the following persons must complete and sign this form, as appropriate: the superintendent of schools, charter school director, administrator of a CSDE approved private school or executive director of a Regional Education Service Center (RESC).

Please check the appropriate boxes below with an "X", provide your signature, and indicate whether your board of education, charter school, CSDE approved private school or RESC administers the program.
